

Product Handling Instructions

FILLO PIES

THAWING:

No thawing necessary. Remove from packaging and bake from frozen state.

PREPARATION:

Preheat oven to 400°. Remove pastry pan from carton and remove cellophane over wrap. Bake product in pastry pan for 30 minutes until golden brown or internal temperature reaches 165°.

HOLDING:

Place cooked Spanakopita in a 2" hotel pan and serve immediately or hold uncovered in a hot-dry environment such as an oven at 200° or hot hold equipment.
