

Product Handling Instructions

GYROS SLICES (FULLY COOKED)

THAWING:

To achieve the best results, thaw product in cooler for at least 24 hours prior to preparation.

PREPARATION:

Product is fully cooked; therefore you will just be heating/browning the product.

INDIVIDUAL PORTION:

Separate slices and place on a pre-greased grill. Heat until the temperature of the slice is 165°. Continue with preparation of your recipe.

LARGE PORTION:

Pre-grease the grill and then shingle the whole box of individual slices by hand. Allow slices to cook on each side until brown and heated to an internal temperature of 165°.

HOLDING:

Arrange in a hotel pan and cover with plastic wrap and foil to maintain temperature and moisture. Place in an oven at 200° or hot hold equipment at 180°. Use within 60 minutes of preparation.
