PREPARATION & HANDLING INSTRUCTIONS:

If the beef and the Italian Au Jus are frozen you will need to thaw the product by placing in a refrigerator overnight.

Portion Control Method:

- Once the beef slices have been thawed you will portion the beef slices into 4 ounce piles (portion weight will be determined by operator) and you will wrap each pile separately in plastic wrap and place back into the refrigerator.
- Take the pre-portioned product, out of the refrigerator, discard the wrap and place the beef in the hot Au Jus and stir. The meat will take approximately 20 seconds to warm.

Bulk Method:

- Once the beef slices have been thawed you will open the vacuum pack bag and take a large bulk amount of beef slices and place in the hot Italian gravy.

Take the warmed beef slices out of gravy and place portion on the inside of the bread.

Heating The Italian Au Jus:

The operator will place the Italian gravy in a steamtable pan to keep hot.

- The water in the well of the steamtable should be about 1 inch from the steamtable pan. **DO NOT HAVE THE WATER TOUCH THE PAN.**
- The Italian gravy should not boil but be warmed. You will need to monitor the gravy to ensure that the temperature remains constant.
- Add more Italian Gravy when the level reaches below 1" in the steamtable pan with new gravy.

Serving Suggestions:

- **Plain/Dry:** beef slices placed on the bread.
- **Juicy/Dipped:** the entire sandwich is dipped into the Au Jus
- **Sweet:** beef sandwich topped with sautéed green peppers.
- **Hot:** beef sandwich topped with Hot Giardiniera
- **Combo:** beef slices & Italian sausage placed on top of bread.
- **Cheesy:** add a slice of mozzarella cheese to the top of the sandwich.
- **French Dip:** The sandwich is served dry with a side of Au Jus.
