

PREPARATION AND HANDLING INSTRUCTIONS

PITA FOLDS Chicago or NY Style

HANDLING/STORAGE GUIDELINES

- ✓ Keep frozen until day of use
- ✓ Never refrigerate or re-freeze
- ✓ Frozen shelf life is 6 months
- ✓ Room Temperature shelf life is 2-3 days unopened bags

Preparation Instructions:

- ✓ Remove pita bags from case and thaw at room temperature for at least 3 hours before serving.
- ✓ Remove enough packages for one day's usage from case
- ✓ Do not stack while thawing

Cooking Methods:

Flat-Top Grill

- ✓ Preheat grill to 375-375°F
- ✓ Remove pita from bag
- ✓ Brush pita with ½ tsp. Of oil front and back
- ✓ Place pita on grill
- ✓ Cook pita on each side for 25 seconds to get a golden brown color

Microwave Oven

- ✓ Place pita on microwave-safe dish
- ✓ Cook for 15-20 seconds
- ✓ Remove and serve immediately

PITA WRAPS

HANDLING/STORAGE GUIDELINES

- ✓ Keep frozen until day of use
- ✓ Never refrigerate or re-freeze
- ✓ Frozen shelf life is 6 months
- ✓ Room Temperature shelf life is 2-3 days unopened bags

Preparation Instructions:

- ✓ Remove pita bags from case and thaw at room temperature for at least 3 hours before serving.
- ✓ Remove enough packages for one day's usage from case
- ✓ Do not stack while thawing

Cooking Methods:

Flat-Top Grill

- ✓ Preheat grill to 350°F
- ✓ Remove pita from bag
- ✓ Brush pita with ½ tsp. of oil front and back
- ✓ Place pita on grill
- ✓ Cook pita on each side for 10-15 seconds

Sandwich Assembly:

- ✓ Evenly distribute ingredients on pita wrap
- ✓ Gently roll pita end to end. Halfway through rolling of pita wrap, fold in excess paper from the ends of the sandwich.
- ✓ Roll the remainder of the sandwich
- ✓ Cut the sandwich in half on a bias; display open ends for service to customers

Wrapping Tips:

- ✓ Center ingredients on pita, 1-½ inches from either side, to ensure proper rolling.
- ✓ Lay all ingredients from right to left and roll the sandwich away from you.
- ✓ **Do not use burrito-rolling technique; sandwich ends remain open.**
